

Reduced-Fee Agreement

The regular fee for psychotherapy/counseling services with Balance Integrative Care is \$95 for each 50-minute session.

Reduced-fee rates are offered for *40-minute sessions* and are limited only to eligible household incomes.

Household income levels that qualify are listed below:

<u>Annual Household Income</u> (This is the total income for <i>all</i> persons living in the house, i.e., client <i>and</i> roommates, relatives, partners, spouses)	<u>Session Fee</u>
\$20,000 combined annual income or combined \$11 hourly wage or less	\$75
\$21,000-\$35,000 combined annual income or combined hourly wages of \$12-\$19	\$80
\$36,000-\$49,000 combined annual income or combined hourly wages of \$20-27	\$85

Households earning combined annual incomes of \$50,000 or combined hourly wages of \$28 or more are not eligible for reduced-fee sessions.

Based on household structure and income level, I agree to a fee of \$_____ per session. I understand that reduced-fee sessions are 40 minutes in length.
